

TOWELRADS PISA PLUS

The Pisa Plus is designed to provide greater heat output compared to traditional ladder rails, thanks to the inclusion of extra pipes. This model is an excellent choice for those who have an Air Source Heat Pump (ASHP) installed in their home, as it complements the heating system and produces a high output. The Pisa Plus is available in three different colors: black, anthracite, and pearl shine silver. Of these, pearl shine silver is a great alternative to chrome plating, as the paint used on the Pisa Plus is a better conductor of heat, offering maximum output.

Safety tested at **17 bar pressure**.

Max temperature **90°C**.

Manufacturers
Warranty

Works with both
central heating and
electric fuel sources

1-2 Day Delivery

Available Pearl Silver,
Anthracite and Black

FEATURES AND BENEFITS

- High heat output achieved by using two sets of 22mm bars.
- Can be used on central heating or Dual Fuel systems.
- Wide range of sizes to cater for all spaces.
- Powder coated finishes only to achieve higher heat outputs.
