

TOWELRADS

ETON

TECHNICAL DATA

Product Category

Aluminium Towel Rails

Heating Type

Central Heating

Product Overview

The Eton towel radiator is crafted from high quality aluminium for quick heat up times and impressive thermal efficiency. Its lightweight design makes installation easy, without compromising on heat output.

Available in anthracite & brushed aluminium

5 Year guarantee

Available in a variety of sizes

Features & Benefits

- Lightweight, recyclable and resistant to corrosion
- Oval shaped bars
- Aluminium towel radiator available in 2 finishes
- High heat outputs
