

TOWELRADS HANWORTH PLUS

TECHNICAL DATA

Product Category

Aluminium Radiators

Heating Type

Central Heating

Product Overview

The Hanworth plus horizontal radiator combines low water content with high thermal efficiency. These radiators are lightweight, slimline and made from aluminium for ultimate durability and output.

Available in white

10 Year guarantee

Available in a variety of sizes

Features & Benefits

- Lightweight and slimline
- High heat outputs
- Made from aluminium
- Low water content with high thermal efficiency
